

Challenger Learning Center-St. Louis Boy Scout Programs

2011-12

Bear Scouts

Bear Scouts can earn Arrow Points for the Space Elective Badge*. In this four-hour session, Scouts will build a model rocket, discover Earth's satellites, compare planets in our Solar System and participate in other engaging hands-on activities.

Cost: \$23/Scout

Dates: November 12, 2011, February 4, 2012, April 7, 2012*

Time: 1:00-5:00 p.m.

*One session from 8:30 a.m.- 12:30 p.m on April 7, 2012

Webeles

Webeles will complete their Scientist Activity Badge in this four-hour program. Activities include building a rocket, performing magic tricks, experiments, and more--all of which will help Scouts understand several physics concepts, such as Bernoulli's principle and Newton's laws of motion.

Cost: \$23/Scout

Dates: November 12, 2011, February 4, 2012, April 7, 2012*

Time: 8:30 a.m. - 12:30 p.m.

*One session from 1:00-5:00 p.m. on April 7, 2012

Boy Scouts

Boy Scouts can earn their Space Exploration Merit Badge in just one day. Participants will build, launch and recover model rockets, learn how space shuttles and rockets work, discover what elements a space station must have to be successful, and then design their own orbiting space station.

Cost: \$27/Scout

Dates: October 15, 2011, December 2, 2011, February 11, 2012, May 5, 2012

Time: 9:00 a.m.- 3:00 p.m.

Private workshops can be scheduled for groups up to 25 participants. Call for available dates and prices.
